BEQUESTS

A Bequest is the most popular planned gift; the easiest to make; and costs nothing during a donor's lifetime. A Bequest can be included in a new will, or added to an existing will or living trust through a simple amendment called a codicil — often without the expense of hiring a lawyer.

You may make a bequest or gift through your estate by including a provision in your will or living trust, or by naming Rheumatology Research Foundation (the Foundation) as a beneficiary of a retirement plan or life insurance policy. The amount left to the Foundation can be expressed as a dollar amount or as a percentage of the assets to be given.

The following is intended to help you and your attorney in drafting a bequest that satisfies your interests. As you consult your attorney on the selection of appropriate wording to reflect your own goals and intentions regarding the Rheumatology Research Foundation, be sure our organization's correct legal name appears in all final documents as:

Rheumatology Research Foundation, an Illinois Non-Profit Corporation, currently located at 2200 Lake Boulevard NE, Atlanta, GA 30319 Federal Tax Identification Number: 58-1654301

Sample Bequest Language to Rheumatology Research Foundation (Tax ID: 58-1654301):

"I give, devise and bequeath to Rheumatology Research Foundation, an Illinois Non-Profit Corporation, with a tax identification number of 58-1654301, currently located at 2200 Lake Boulevard, NE (c/o Development Office), Atlanta, GA 30319 or its successor organization, (the sum of \$ _____/percentage of ____% of my estate), to be used for its general purposes."

Please call us with any question at (404) 365-1373.

Thank you for choosing to include the Rheumatology Research Foundation in your estate plans and making a lasting impact through your planned giving.
